DETAILED ACTION

1. This office action is in response to RCE, amendments and Remarks received 6 September 2005. Per Applicant's request, claims 1-12 have been amended. Claims 13-17 have been cancelled. Claim 18 has been added. Claims 1-12 & 18 are pending.

Allowable Subject Matter

2. Claims 1-12 & 18 (renumbered in order) are allowed.
3. The following is an examiner's statement of reasons for allowance:

Regarding independent claim 1, as Applicant has noted on page 7, first paragraph, of Remarks, cited prior art, taken alone or in combination, fail to disclose:

"instantiating a class-specific persistent agent for storing objects that belong to said class, wherein the class-specific persistent agent provides an interface, that includes a routine, for persistently storing the object in said structures within said persistent object store, wherein said class-specific persistent agent may only be used for operations involving objects belonging to said class; and in response to invoking the routine, the class-specific persistent agent storing the object in said one or more structures within the persistent object store, wherein the object is not derived from a persistent object base class.

Regarding independent claim 11, as Applicant has noted on page 12, first paragraph, of Remarks, cited prior art, taken alone or in combination, fail to disclose:

Art Unit: 2191

“instantiating a class-specific persistent agent for retrieving objects of said particular class said class-specific persistent agent provides an interface, that includes a routine, for retrieving objects of said particular class from the persistent object store, wherein the class-specific persistent agent may only be used for operations involving objects belonging to said class.”

Thus all remaining dependent claims, claims 2-10, 12, and 18 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”

Conclusion

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
